Are you interested in becoming a member? None this month

Topics of Interest: Legal Aspects of Purchasing, Contracts, other int'l supply chain issues, best practices for supply chain, local economy issues, local corporate environment issues

Comments: Mandatory Cell phones OFF!, Too redundant, too long, Too much information, Speaker too long, Too much reading on the screen, information overload, should time speaker. This is the best place for a meeting. You should use it every month. Other NAPM's have it at the same place every month, Too much detail, too long, Need to start presentation no later than 6:30 and end around 7:30,
